Acceptable Use Agreement KS1

At Our Lady of Lourdes Catholic Primary School we make sure that everyone feels safe in school at all times. Staying safe when you are using the computer and on the internet - whether at home or at school – is very important. These rules will help to keep you safe. You can discuss them in class with your teacher and once you have understood them, you can sign at the bottom and we will give you a copy to take home.

- I will use the school computers and technology sensibly
- I will ask permission from an adult before I look at the internet
- I will only log on using my own username and password which I will keep it to myself
- If I think anything on the internet upsets me or a stranger sends me a message, I will tell an adult
- If I break these rules I know I may be stopped from using the internet and/or computers
